What if I am an online student?

You are just as much a part of this as the traditional students. This is our opportunity to BAND TOGETHER!

COVID Information

This is considered a performance and performances are an assessment grade for band classes. COVID check in procedures and social distancing precautions will be adhered to throughout the event. All other conflicts, such as work etc..., are unexcused absences.

What am I supposed to wear?

All upperclassmen should wear their BAND CONCERT ATTIRE (Suits and Dresses). New members who have not had the opportunity to purchase concert wear yet should wear ALL BLACK or ALL BLACK AND WHITE. This includes shoes. ALL clothes should be formal. No printed writing, jeans, or pants with holes.

NEW MEMBER GIRLS: Black blouse and black slacks or skirts (at least knee-length) or a full black dress with any length sleeve (dress must also be at least knee-length; no sleeveless tops)

NEW MEMBER BOYS: Black, button-down, long-sleeve shirt and black slacks. Long sleeve turtle neck and dress pants would be fine.

Can my family or friends come watch?

Unfortunately, this will be a no-audience event in order to ensure we have clean recordings and to limit the number of people gathered inside. We appreciate your understanding.
